PORTABLE PLANETARIUM SHOWS

We bring the Universe to you. Upon entering into our portable planetarium, you will gaze into the starry nights to see stars, constellations and galaxies. Using special effects with lasers, music & slides, our programs teach Astronomy & the Solar System. Each program is tailored to your age group, Yes, even Preschool. **Good for ages 2 to 102**

Ask About our
Solar Telescope Viewing
"During the Day"

Ticket To The Stars Assembly (show)

If you don't have the room for the Portable Planetarium

Each assembly combines fascinating information from Astronomy, African or Greek Mythology, Indian Folklore and more ... The exciting display pieces, such as **real meteorites**, will give young minds the hunger to read & learn more. When **READING** is combined with **HANDS ON** teaching, the results are **STELLAR**. Our programs meet the State Educational Standards.

Stranger Danger Program

**You're About To Learn The Most Important Thing
You Will Ever Need To Know When It
Comes To **Keeping Your Kids Safe**
At School Or At Home.**

Stranger Danger is a fast-passed, highly entertaining & Educational program. This program is informative with out being frightening. It teaches your kids:

Know the difference between Good Strangers and Bad Strangers ... Yes there is a difference.

The hands down best way to Deal with Fear when talking about Strangers.

Things happen, and you students will now know What To Do If...

When is the right time to Run, Yell, or Cooperate? How to pick a Code Word and how to use them.

These are just a few of the topics that are covered.

You will receive 10 safety tips for kids, Parent Tips, Child ID Sheet & Activity Bracelet instructions

Recycling is Magical

Recycle is the Magic
Word for making your
Garbage Disappear

Reduce - Reuse - Recycle your garbage

Students will be able
To Recycle Garbage in
Our "Green Machine"

We use Humor and Magic to reinforce
the idea that garbage doesn't disappear
just because you send it off to the dump
